

2015/2016 - STANDARD CONDITIONS OF ENTRY 1.3

All events in the 2015/16 World Snooker Main Tour are subject to the following Standard Conditions of Entry which are subject to change at the discretion of World Snooker ("WSL"), & are played in accordance with the WSL Players' Contract. All obligations & penalties will be applicable. All players entering any WSL event are required to sign the WSL Players Contract before they compete in any WSL event. It is a breach of the WPBSA members' rules & regulations not to compete in an event once you have entered.

Entry Criteria: All Main Tour Ranking events are open to all 2015/16 Main Tour players, Invitational Tour Card holders & invited amateur players. All Main Tour Invitational events are open to players selected at WSL's discretion as defined on the Event Entry Form. All Euro/Asian Tour events are open to 2015/16 Main Tour players, Invitational Tour Card holders & amateur players.

Entry Fees: Non-refundable, & payable via the online entry system. No entries will be accepted after the closing date.

Prize Money: Prize money for each event is defined on the Event Entry Form. A rolling maximum break prize will be available as defined on the Event Entry Form which will accumulate until it is won. If more than 1 player achieves the high &/or maximum break within the same event, the prize will be shared equally.

The sterling equivalent amount of prize money will be paid, either by WSL or the event promoter, after deduction of the 2.5% WPBSA Levy, any local withholding tax as applicable, WPBSA Flight costs or any other amount due to WSL &/or WPBSA. An original withholding tax certificate for each player will be produced & sent to you which may be used to reclaim the WHT against your tax liabilities.

Due to Chinese banking regulations, payments from China could take up to 8-10 weeks to reach your bank account. For payment to be paid directly into your account WSL will disclose your bank details to the event Promoter. Players must ensure WSL have a completed bank nomination form to enable payment to be made.

Prize Money Rankings: Tour players will receive prize money ranking points as outlined in the Indicative Prize Money Rankings Points Schedule for 2015/16. Standardised conversion rates for non sterling events are shown on the Indicative Prize Money Rankings Points Schedule.

Should a Player compete in the qualifying rounds for an event & qualify to participate in the final stages of that event but then fail to appear in the final stages of that event, for any reason whatsoever, the Player will not be eligible to receive any prize money whatsoever, or ranking points relating to the Event. For the avoidance of doubt this clause shall in no way affect WSL's right to sanction a player in accordance with clause 7 of the Players Contract.

Players losing in their 1st match where there is guaranteed prize money will receive their prize money in full, but, no money will count towards the prize money rankings.

Kreativ Dental Clinic European Tour/Asian Tour Order of Merit: A separate 1 year Order of Merit will be in operation for the Kreativ Dental Clinic European Tour & Asian Tour which is calculated in Sterling. All players who compete in the European Tour/Asian Tour will appear on the Kreativ Dental Clinic European Tour/Asian Tour Order of Merit.

If there is only 1 Asian Tour event, the top 24 players on the Kreativ Dental Clinic European Tour Order of Merit will qualify for entry into the Players Championship. In addition, the winner and runner up of the one Asian Tour event will also qualify for entry into the Players Championship. The remaining 6 places will be awarded to the top 6 players, who have not already qualified, on a combined Asian Tour and Euro Tour list.

If there are 2 Asian Tour events, the top 24 players on the Kreativ Dental Clinic European Tour Order of Merit will qualify for entry into the Players Championship. In addition, the winner and runner up of the two Asian Tour events will also qualify for entry into the Players Championship. The remaining 4 places will be awarded to the top 4 players, who have not already qualified, on a combined Asian Tour and Euro Tour list.

Qualification for the Players Championship will be determined chronologically. If a player qualifies through being the winner or runner up more than once, the space will be allotted to an additional qualifier through the combined Asian Tour and Euro Tour list.

Players on equal points on either Order of Merit, will be ranked on their best performance in the season on the respective Order of Merit. If still equal, then the 2nd, then 3rd, then 4th best performance will be considered until all possible performances have been considered. If still equal, the best performance in the most recent event working backwards from the last event on the respective Order of Merit until the position is determined. If still equal, then the seeding of those players will be determined at random.

All non-WSL Main Tour players (amateurs) must be members of and in good standing with their National Governing Body.

Kreativ Dental Clinic European Tour/Asian Tour Seeding: If the seeding position cannot be determined by the European Tour Order of Merit/Asian Tour Order of Merit position, as players are on equal prize money, the highest seed will

be determined by the number of matches won in the most recent Euro Tour/Asian Tour event. If still equal, the number of frames won & lost, calculated per round working backwards from the latest round played in the tournament, will be used to determine the highest seed. In the unlikely event that players are still equal, the rules above will be applied to performances in previous Euro Tour/Asian Tour events this season working backwards. If players are still equal they will be selected at random

Main Tour Seeding: Players on equal prize money will be seeded based on the best performance (stage/round reached through winning a match) working backwards from the most recent ranking event. Invitational Tour Card players will be seeded based on historical career earnings.
