* - This denotes a player who has a 2 year tour card covering the 2020/21 and 2021/22 season.

Where prize money is won without a player winning a match in a tournament, NONE of that prize money will count towards these prize money rankings.

Where prize money is won by a player at a qualifying venue and that player does not go on to compete at the final venue, for whatever reason, that prize money will not count in the prize money rankings until the situation has been considered by the appeals committee who may, at their absolute discretion, allocate ranking points where it can be demonstrated that there are extreme mitigating circumstances. These points will be allocated from the date of the committee meeting and will not affect previously issued draws.

Start ranking relates to the ranking position at the start of the 2020/2021 Season prior to the first main tour ranking event. Those players marked 'NEW' were new to the tour for the 2020/2021 season.
